

# The Leader in Me™

great happens here

The Leader in Me is a process for teaching students personal leadership and 21st century life skills, such as goal setting, time management, teamwork, problem solving, respecting diversity, and life balance. The process:

- Develops the "whole child" and sees each child as having unique gifts
- Is founded on ***The 7 Habits of Highly Effective People*** and other proven leadership principles and tools
- Creates a sustainable, safe-and-friendly school culture
- Provides world-class professional development for teachers and administrators
- Increases parents' satisfaction and involvement
- Is implemented in a way that teachers do not see it as "one more thing," but as a better way of doing what they were already doing
- Impacts students of diverse backgrounds, regardless of race, intelligence, or economic upbringing.

Currently, The Leader in Me is in the following schools:

Dolby Elementary - Sponsored by the Southwest Louisiana Economic Development Alliance
